

THIS WILL CHANGE FOR ALL CABLE TV USERS FROM JULY 1:

Dear Tenants,

Your cable TV connection is currently provided by Velero as part of your rental agreement and is included in the additional costs.

However, due to changes in the Telecommunications Act (TKG) by the federal government, this cost allocation will be discontinued, and your current TV service through your landlord Velero will **automatically end on June 30, 2024.**

To avoid any interruption in your TV service, you need to **sign up for your own cable TV contract by the end of July 2024.** (Internet service contracts are not affected by this change.)

You are free to choose any provider. Please check with your local multimedia shop or online for more information. To make the transition easier, we have negotiated with the current provider and can offer you the following terms and contacts:

Provider STG Group

Basic TV service EUR 7.90 incl. VAT per month (special price until 01.07.2024 regular price EUR 9.90 per month) Everything remains as usual: no new devices. No channel changes.

For advice and contract arrangements:

Phone: 0234/94331-80
Email: service@stg-gruppe.de

If you have any further questions or require assistance, please do not hesitate to contact us on the usual service numbers.

Sincerely,
Your Velero Management
